The Ontario Public Student Trustee Leadership Scholarship

2023-2024

Background Information

The Ontario Public Student Trustee Leadership Scholarship is an award jointly provided by the Ontario Public School Boards' Association (OPSBA) and the Public Education Interest Group of OSTA-AECO. The intent is to recognize outstanding achievement in a leadership role and provide financial support to a graduating public board student trustee to assist with their post-secondary education plans (University, College, or Apprenticeship).

Student trustees represent the voice of students in decisions on education, and keep students informed of the changes in education that affect them. They play an important role in the education governance process and are actively working at the local board and provincial levels on a number of initiatives.

This scholarship is based on an outstanding initiative accomplished during the student trustee's term and how the initiative positively impacted the students in their board. Two scholarships, in the amount of \$500 each, will be awarded.

Selection Criteria

The successful recipient must:

- Be a student trustee who completed a one or two-year term at a public school board and will be continuing their education in a post-secondary/apprenticeship setting in Fall 2024
- Submit a completed scholarship application that highlights a student trustee's successful leadership initiative that made progress in ensuring the education system better reflects student needs and priorities

All submissions will be reviewed by a committee composed of OSTA-AECO's Public Education Interest Group executive members and trustees on the OPSBA-OSTA Liaison Committee. Note: Student Trustees from the same board cannot submit an application based on the same leadership initiative.
