

YOUR SKILLS,
YOUR FUTURE.

SHSM in Education: Non-profit

About the Program

The **SHSM Education stream in the Non-Profit sector** is designed to:

- provide opportunities to explore careers in education

*A **French option** is available to students who are currently enrolled in French Immersion, Extended French, or Core French.

Special Features

Includes

- a focus on **leadership**: skills, experiences and certifications
- a co-op placement in an education setting

Who to Contact

For more information, contact your school's Guidance Department, or Specialist High Skills Major Lead.

Program Benefits

- customize your high school program with real-life experiences
- develop the skill sets relevant to careers in education
- make connections to post secondary pathways

Education
makes the difference!
