Introduction

In establishing the Ontario Public School Boards' Association ("OPSBA") governance structure, representation from all five of OPSBA's Regions on the Board of Directors and other OPSBA committees is required. A significant strength of OPSBA lies in its ability and willingness to recognize and support the diversity and various interests of the Member Boards, school authorities and children's treatment centres from across the province.

This document provides a summary of the key roles and responsibilities within OPSBA's governance structure. It also outlines roles and responsibilities of elected positions, such as Member Board-appointed Board of Directors members, (Voting) Delegates and their Alternates. The diversity in the province should be considered when appointing trustees to serve in leadership roles and as members of the Board of Directors, Regional Councils and other OPSBA committees.

Equity, diversity, inclusion, accessibility, anti-racism and anti-oppression are being integrated into all aspects of the work of OPSBA. All trustees, particularly those who identify as Indigenous, Black, racialized, persons with disabilities, 2SLGBTQ+ and/or any other marginalized equity-deserving community are encouraged to take an active role in OPSBA. This will help elevate the voice of underrepresented communities, shape the direction of education in Ontario and ensure OPSBA continues to represent the needs of school boards when advocating to government and legislative committees.

Trustees who are actively engaged in OPSBA help to foster a safe, supportive and positive environment that:

- ❖ Maintains focus on the Mission, Vision, Values and Strategic Priorities
- ❖ Centres equity, diversity, inclusion, accessibility, anti-oppression, and anti-racism in all OPSBA structures, policies, practices, activities and decision-making
- ❖ Promotes engagement, networking and information sharing
- ❖ Reflects good governance
- ❖ Values capacity building and professional development and responds to the learning needs of trustees, school boards and OPSBA members
- ❖ Balances the needs of Member Boards, school authorities and children's treatment centres in Ontario

Together, we can promote confidence in the Ontario public education system.

Foundational Principles of Decision Making

Decision making should take into consideration (at a minimum):

- ❖ The role, purpose, mission, vision, values and strategic priorities of OPSBA
- ❖ Equity, inclusion, diversity, accessibility, anti-oppression and anti-racism
- ❖ Indigenous Truth and Reconciliation
- ❖ Data and other relevant sources of information
- ❖ Leadership skills, engagement, capacity building and succession planning
- ❖ Good governance

Human Rights Accommodations and Special Circumstances

Requests for accommodation due to special circumstances or human rights needs (E.g. disability, family status, etc.) will be considered, on a case-by-case basis, provided a request is submitted at least three business days prior to the scheduled meeting.

In order to ensure the health, safety and well-being of trustees and staff, a decision may be made to hold some meetings through electronic means (E.g. Zoom, etc.).

The Role and Responsibilities of Individual Directors:

Directors are trustees, empowered by their Member Board, ITC, group of school authorities or children's treatment centres, to make decisions on their behalf at BOD meetings. In this capacity, individuals should exercise discretion in expressing personal opinions/positions.

Individual Directors:

- Attend BOD meetings
- Should have a general understanding of the OPSBA Governance Structure

Leading Practices for Directors:

Directors are a critical communication channel between OPSBA and Member Boards. Directors have a unique opportunity to raise awareness about OPSBA, ensure their Member Board views are part of the consideration of OPSBA business, influence public policy at the Provincial level and foster trustee engagement.

Some leading practices to help support Directors:

- OPSBA business, discussed at BOD meetings, should be shared with trustees from their board, at regular Board meetings. (E.g. BOD decisions/discussions, advocacy, conferences, events and professional learning, etc.). A summary of BOD business is distributed (by email) to all Directors and Alternates following each meeting. This information is also sent by email to all trustees in [OPSBA Connects](#)
- Support their Member Board in responding to OPSBA requests for information including, but not limited to, participation in the development of policy positions and discussion papers and OPSBA's response to issues in public education
- Advise OPSBA of any changes in positions and contact information at the Member Board (E.g. Chair, BOD Member, (Voting) Delegate, Director of Education, etc.).

- Being a member of the OPSBA BOD is similar to (but not the same as) being a member of a Board of Trustees. Attributes of an effective board can be found in [OESC Module 2, Effective Governance for Student Achievement and Well-Being: Boards Matter](#)
- Work with the (Voting) Delegate to consider matters on which they are voting

Alternate BOD Members (Alternate Directors):

- Any member(s) (except for the Past President) who miss(es) three consecutive EC meetings, not formally excused by resolution of EC, will cease to be a member
- Public minutes will be recorded and shared with the BOD for information

A Leading Practices Document is being developed to further support these roles.

Relevant sections of the [OPSBA Constitution and By-Laws](#): Sections 10.02, 10.06, 13.01 to 13.06, 15.01 and 15.02

Regional Councils

Membership on RCs:

All trustees, elected or appointed in accordance with the Education Act and Municipal Elections Act, and Indigenous trustees from Member Boards, school authorities and children’s treatment centres (“Member Boards”) are members of their respective [RC](#) as defined in Section 7.02 of the OPSBA Operational By-Law. Limitations of RCs:

RCs are intended to be an opportunity for trustees from each [Region](#) to network, collaborate and engage in discussion about local, provincial and OPSBA matters. The Regional Chair and/or Vice-Chair is the conduit of information between RCs, EC and the BOD. Regional representatives on CIWGs or AHWGs are the conduit of information between the RC and these OPSBA committees.

Meetings and Logistics for RC meetings:

- No fewer than two meetings will be held each year except in a Municipal Election year
- RC meetings for the upcoming year are scheduled as part of the annual OPSBA Meeting and Events development process each spring. They are generally scheduled three times per year in the fall, winter (at PES) and spring
- In addition, at the AGM, each RC will convene a meeting to conduct elections for the position of Regional Chair, Regional Vice-Chair, Regional representatives on OPSBA CIWGs. The Northern RC shall convene two sub-regional meetings to elect representatives to CIWGs from each area
- Meetings are organized by OPSBA staff; however, it is a leading practice to engage the Regional Chair and/or Vice-Chair in this process
- RCs provide an opportunity for trustees to network, share information, provide input on OPSBA matters and share information/make requests through the Chair to EC
- Quorum is not required as no formal motions are made by RCs
- RC meetings are meant to be informal; therefore, moving in-camera (private) is typically not required

- Consider mentoring trustees who are newly elected to assist with their transition into the role and raise awareness of OPSBA
- Apply the Foundational Principles of Decision Making ([See page 4](#))
- Submit a request for accommodation(s) ([See page 4](#))

A Leading Practices Document is being developed to further support these roles.

Relevant sections of the [OPSBA Constitution and By-Laws](#): Sections 7.02, 7.03, 14.04, 14.05 and 15.01

Core Issue Work Groups

Establishment and Termination of Core Issue Work Groups:

- Any trustee from a Member Board in their local Region is eligible to serve as the Regional Council (“RC”) representative on a CIWG
- Representatives from each Regional Council
- The Indigenous Trustees’ Council (“ITC”) is responsible for appointing representatives as defined in the TOR
- The BOD will appoint a member of EC to liaise with each CIWG
- Development of the terms of reference should (at a minimum) take into consideration:
